Box 870, 81 Edwards Avenue
The Pas, MB R9A 1K8

Dear Mayor Jaques and Council,

Re: Recent Toastmasters Week Proclamation

Thank you so much for recently proclaiming October 20 to 26 as Toastmasters Week in Brandon, Manitoba. The support you and your council have demonstrated for Toastmasters in your local community is very much appreciated.

Toastmasters is a non-profit organization with limited fundraising opportunities. All programs are designed to improve each and every member's personal communication and leadership skills. Our members support these programs. Therefore, I am sure you can understand how much we appreciate the show of support given by yourself, Council and the community.

This year the Province of Manitoba, eight (8) cities and one (1) town joined District 64 Toastmasters proclamation of Toastmasters Week. On the organization's 95th year, and our District's 60th year, we are indeed warmed by this support.

Please pass our thanks along to all who assisted; it was very much appreciated.

Respectfully,

David Woodcock
District Director, District 64 Toastmasters
