

Installing Zoom on my Android Device

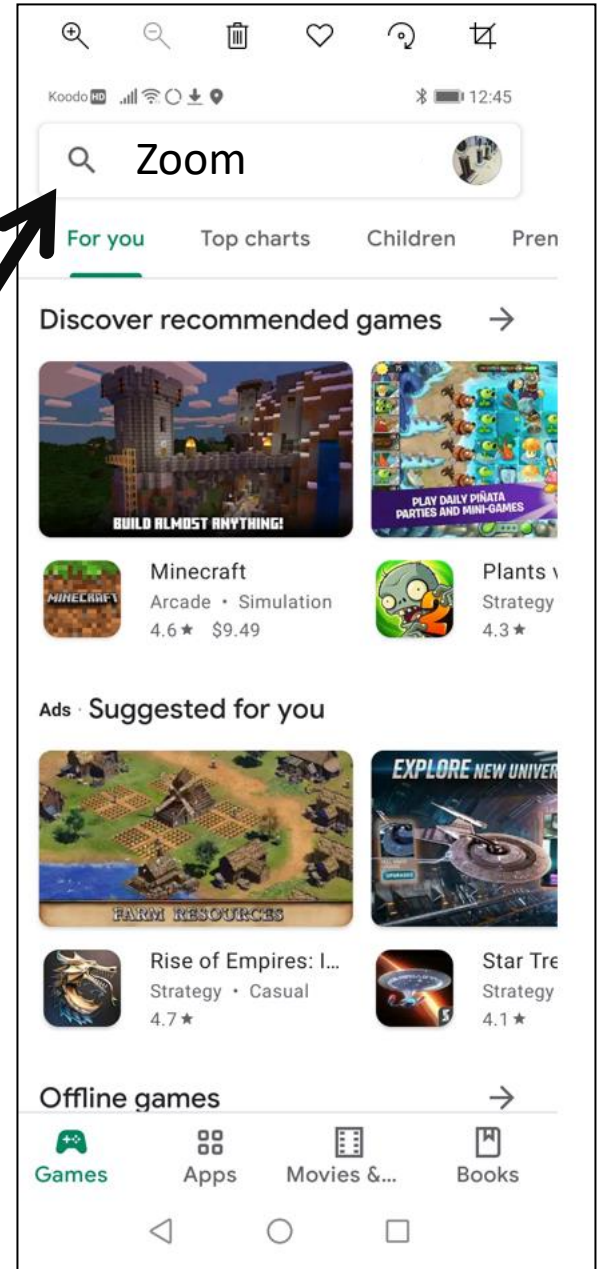

Android Based Smartphone

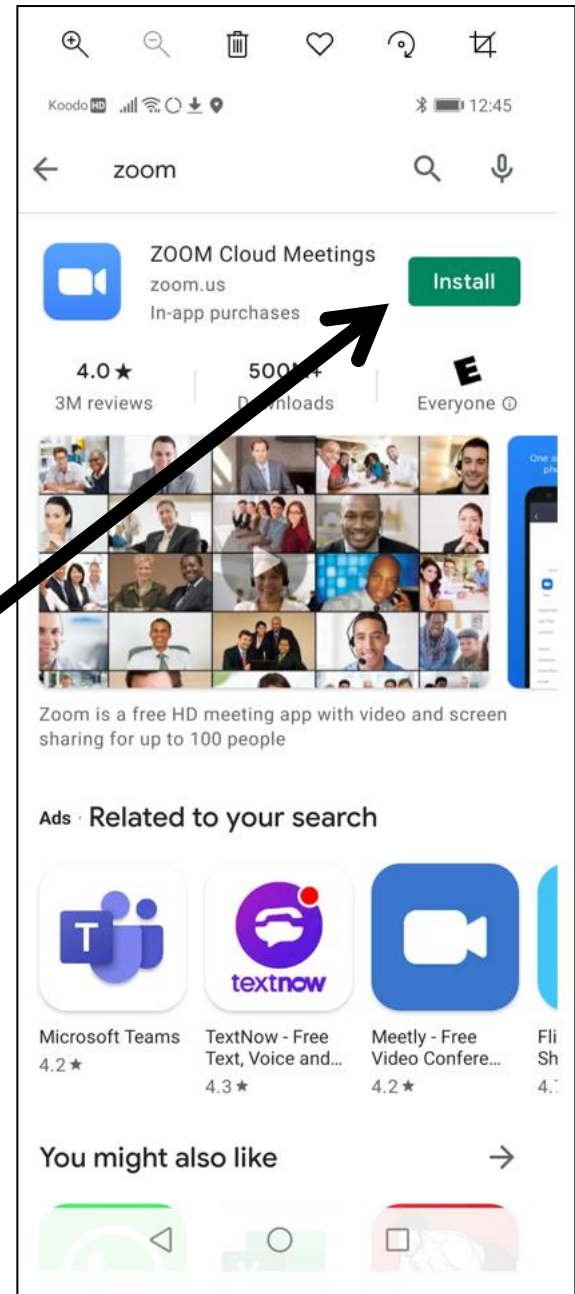

Click on “Play Store”

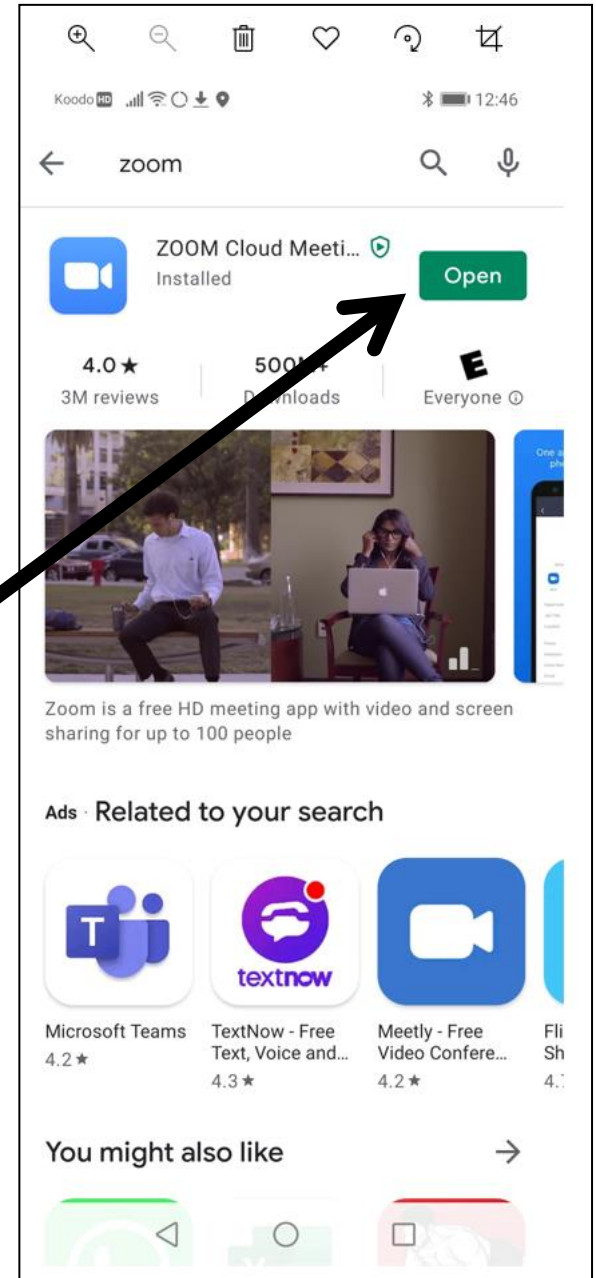

Search for "Zoom"

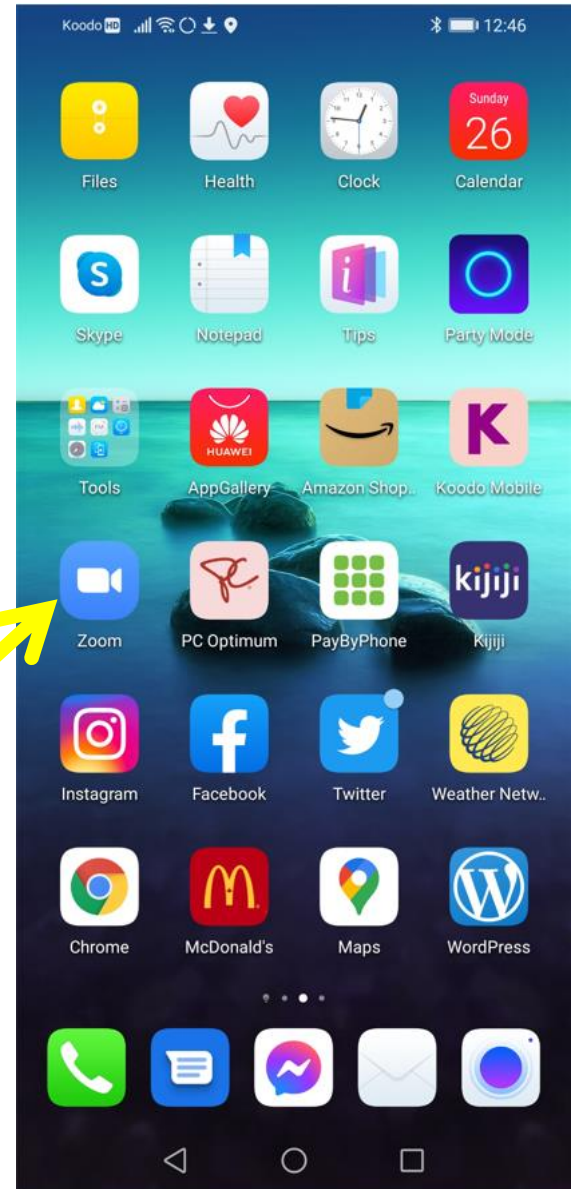

Click "Install"

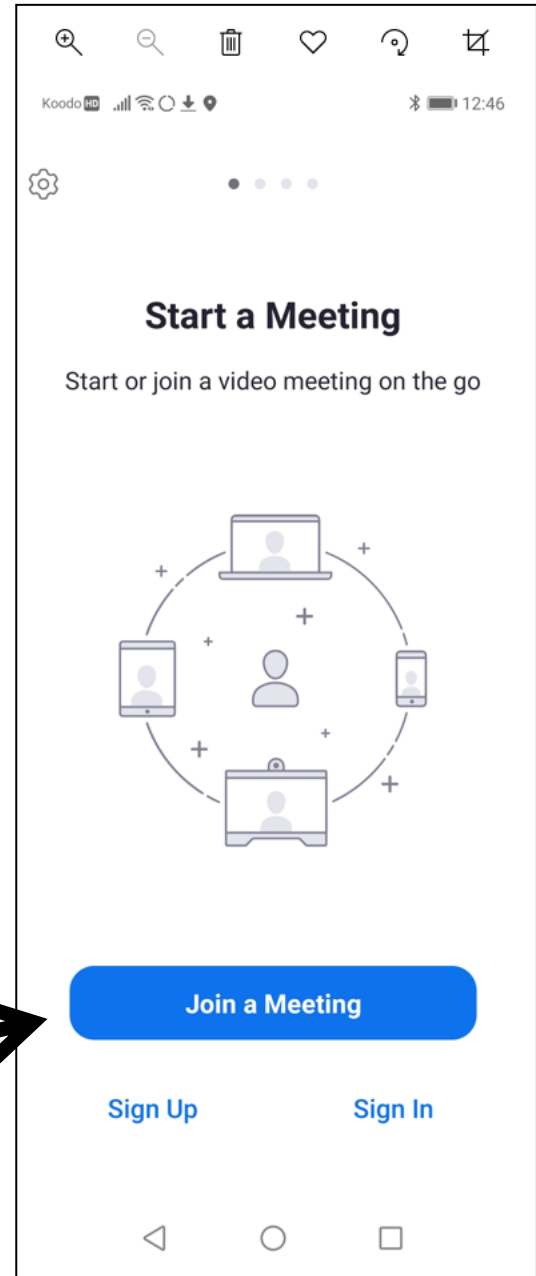

Once installed you can
“Open”

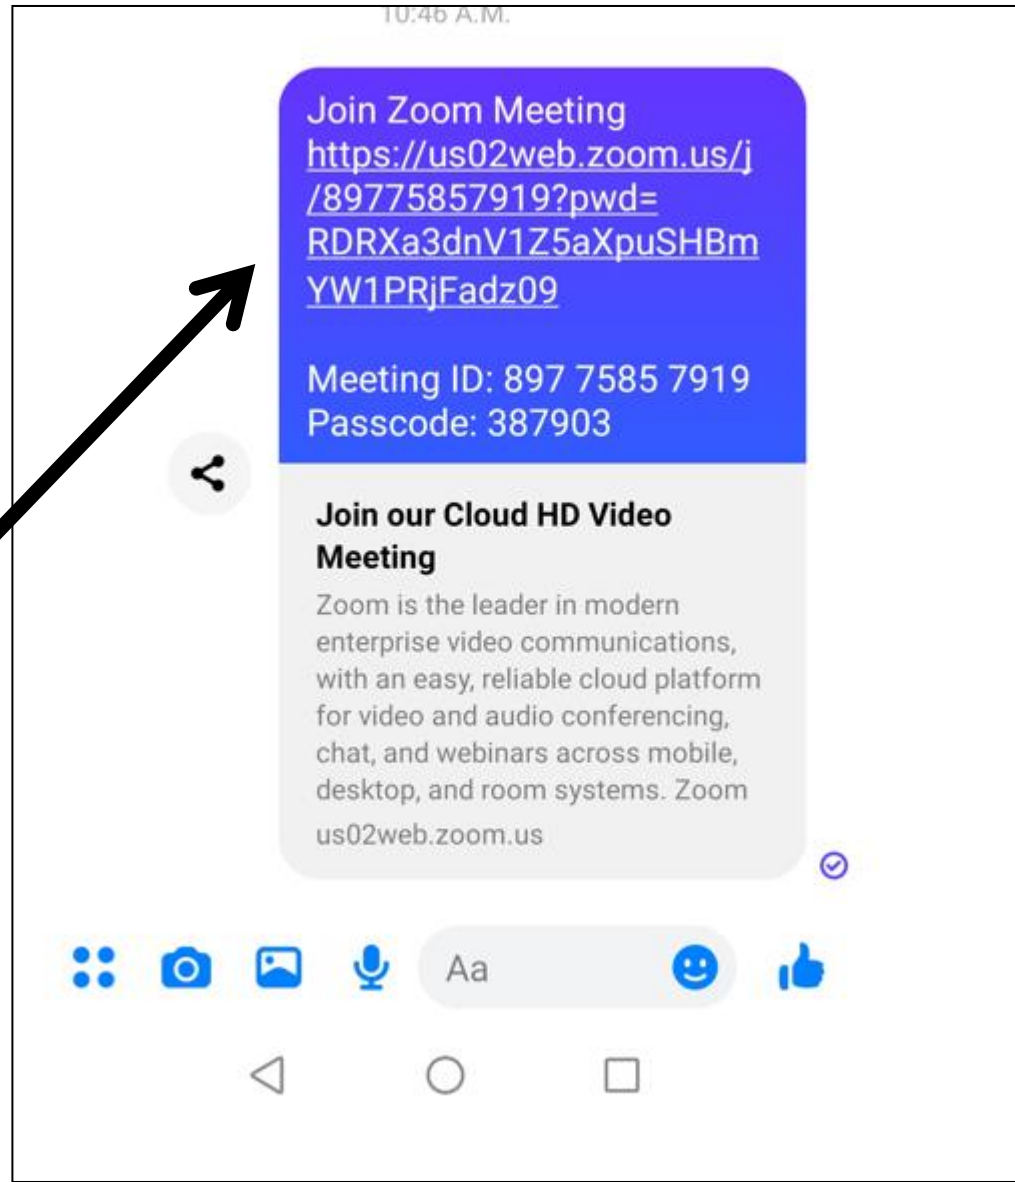

Or open from APPS list

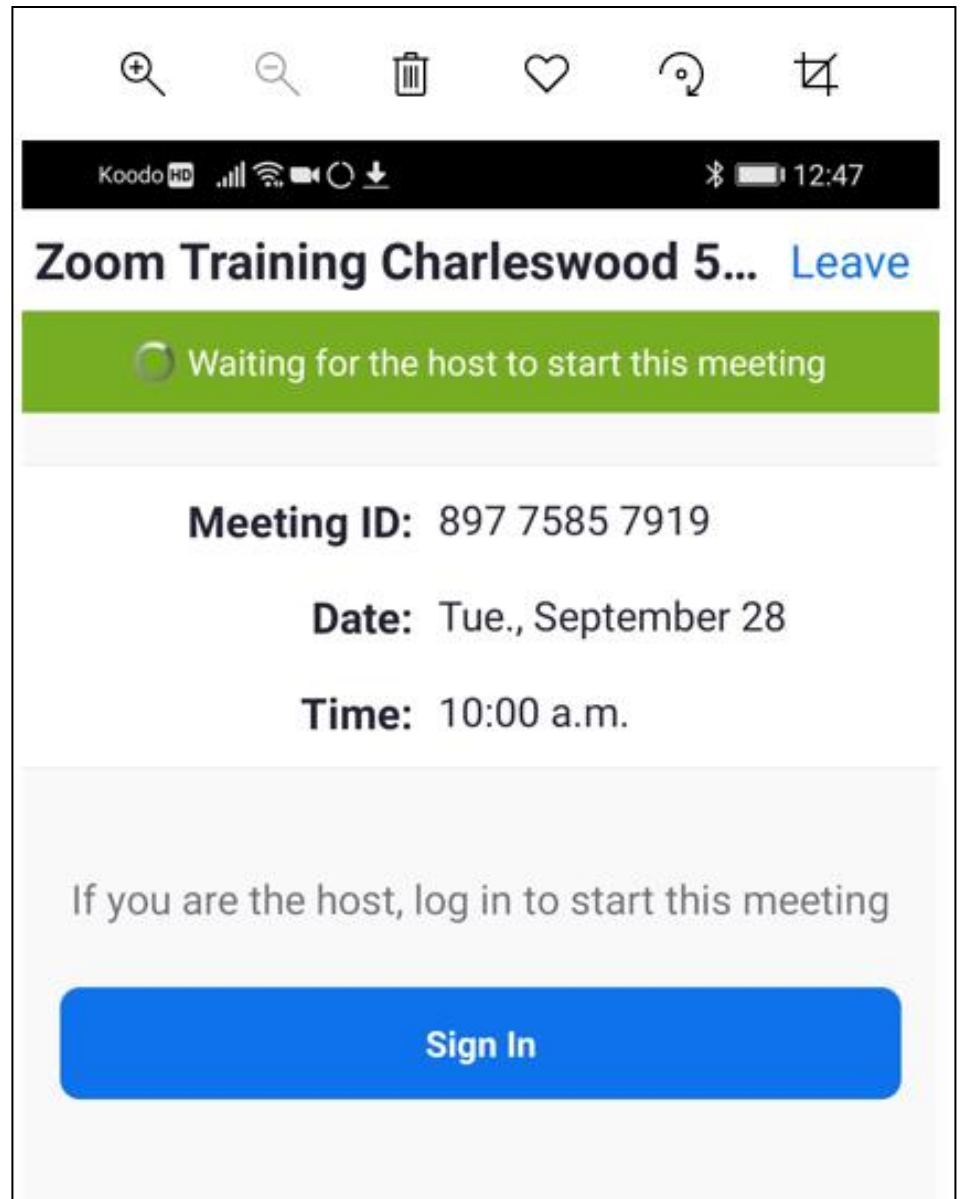

Then “Join” a meeting

Here I click
on Zoom
invite link –
this in
Facebook
Messenger

**It starts Zoom
and takes me to
the meeting**

Issues You May Encounter

- **Need user ID and Password for Play Store**
- **May work or look different on your device**
- **Microphone or sound may not work**

**Find a
good
personal
support
friend**
